- 58924 Colostrum

Additionally, 5 empty test vials are included for your individual customisation.

**For "borrowing"**

You don't want to buy a test set straight away just to find out whether you or your client tolerate a product? No problem. Simply purchase it as usual and then return it after testing within the withdrawal period. If the test set is in impeccable, like-new condition, we will refund the purchase price. So in effect it's like borrowing with a deposit, only not so cumbersome.
