pH-drink® BIFIDO ACTIVATOR combines six alkaline minerals – **calcium, magnesium, potassium, iron, zinc and manganese** – with **vitamin C** and **organic inulin** from agave.

The prebiotic **inulin** serves as nourishment for beneficial gut bacteria, particularly **bifidobacteria**, thereby supporting a balanced gut flora.

Minerals for daily requirements

The minerals are provided in an **organically bound, highly bioavailable form**. **Zinc** contributes to a normal acid–base metabolism. Calcium and magnesium, among other roles, support the normal function of **bones and muscles** as well as energy metabolism.

Easy daily supplementation

pH-drink® BIFIDO ACTIVATOR combines **mineral supply and prebiotic dietary fibre** in an instant soluble drink – ideal for easy supplementation of the daily diet.

Ingredients

Organic inulin (agave), organic cane sugar, lemon juice concentrate, whole lemon concentrate, calcium, potassium, vitamin C, magnesium, anti-caking agent (silicon dioxide), ferrous citrate, zinc, manganese.

Directions for use

Dissolve 2 measuring spoons of 8 g each (= 16 g) in a large glass of water, 1 to 3 times daily, preferably 15 minutes before meals. Natural lemon flavour. Measuring spoon included.

Storage instructions

Store in a cool, dry place protected from light (not in the refrigerator). After each use close tightly to prevent the ingress of moisture, which can cause clumping.

Legal notice

The recommended daily intake should not be exceeded. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle. Keep out of reach of young children.
