Description

Powerful Defence – Ethno-Health Mushroom Power

Mushrooms are among the oldest natural remedies in human history. One reason for this is, among other things, their richness in amino acids, vitamins, minerals and trace elements. In addition, they contain valuable polysaccharides, whose effects are increasingly attracting scientific interest. Polysaccharides are so-called complex sugars, which, in contrast to simple sugars, have a long digestion time and thus ensure a continuous supply of sugar. Mushroom Power combines 5 important mushroom species that are known not only as ingredients in healthy

cuisine. Reishi, Cordyceps (caterpillar fungus), Shiitake, Maitake and Hericium (lion's mane) are on the one hand tasty ingredients in dishes, but also valuable supplements for the nutrient supply of, for example, athletes or in traditional Chinese folk medicine. Due to their high nutrient content, however, this formulation is recommended for anyone who wishes to additionally support their supply of vital nutrients through the power of mushrooms.
