Description

Amino 8 Essentials – 8 essential amino acids of plant origin

Amino 8 Essentials contains all eight essential amino acids of plant origin in a balanced ratio. Essential amino acids cannot be synthesised by the human body and must be obtained through the diet.

The amino acids are present in **100% free, crystalline form** and are available as building blocks for the body's own protein formation. The tablets are produced using a **clean-label manufacturing process in Germany**.
