Description

Ayurveda Balance – Harmonisation of all 3 Doshas.

At the centre of this dietary supplement, which is oriented towards the Ayurvedic healing art, is the Haritaki plant. Also known as the queen of medicinal plants, it has the unique ability to regulate all three constitution types Pitta, Kapha and Vata. Its taste is also distinctive, as it can simultaneously taste bitter, sweet, pungent and sour. This special blend stimulates the body, mind and senses and provides you with inner warmth. To round off the blend, optimally selected ingredients such as oat flour, black and green cardamom fruit extract and fennel seed powder
