Description

Lutein and antioxidants protect and support the eyes and vision

With zinc, vitamin C and bilberry extract. Pro Vision EYES from EnergyBalance is a carefully composed formula for the protection of the eyes. Complex, specific antioxidants are combined with valuable nutrients such as riboflavin, vitamin A and zinc, which contribute to the maintenance of normal vision.

To help counter the so-called eye and macular degeneration (AMD), EnergyBalance has developed this special formula Pro Vision EYES. AMD is understood as the physiological reduction of visual acuity over the years and presbyopia.

Who is Pro Vision EYES for?

Pro Vision EYES is aimed at anyone who wants to protect their eyes and eyesight in the long term. Our eyes are exposed daily to stressful situations such as sunlight, studying, computers or smartphones, smog, air conditioning, etc.

The Pro Vision EYES formula, due to its strong antioxidant properties, can support the normal function of the eyes. It can be taken by all age groups and at all stages of life.

Nutrition information for the EU

Micronutrients	**per daily serving 3 capsules**
Vitamin A***	574 µg RE** (72 %*)
Vitamin E**	36 mg (300 %*)
