Spirulina Premium Chrom Plus consists of 100% gently dried, blue-green, spiral-shaped Spirulina platensis microalgae. These thrive in highly alkaline, mineral-rich mountain spring water on a protected sun farm under subtropical climatic conditions. In addition to an elevated selenium content, they offer an impressive variety of essential nutrients.

During the cultivation of Spirulina, the nutrient-rich spring water is additionally enriched with the trace element chromium, which the microalgae fully metabolise. Chromium is therefore present in an organically bound form and thus in an optimally bioavailable form.

Spirulina Premium Chrom Plus...

- *provides* all the vital nutrients of the microalga Spirulina platensis.
- *also has* an almost standardised chromium content, which simplifies dosing.
- *contains* the trace element chromium organically bound in biologically utilizable, natural molecular complexes.

Nutritional properties

- Chromium contributes to normal macronutrient metabolism and to the maintenance of normal blood glucose levels

Nutritional information

Micronutrients	per daily serving 1 tablet
Chloride	40 µg (100 %*)

*Reference intake according to Regulation (EU) No. 1169/2011

Ingredients

Spirulina platensis microalgae powder.

Recommended intake

Take 1 tablet daily with plenty of liquid.

Storage instructions

Store in a cool, dry place protected from light (do not refrigerate).

Legal information

The recommended daily intake should not be exceeded. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle. Keep out of reach of young children.
