30 times more vitamin C than a lemon!

The acerola cherry provides 30 times as much vitamin C as a lemon and, compared with ascorbic acid, contains additional natural secondary plant compounds (antioxidants) that enhance the naturally occurring vitamin C. Zinc is involved in numerous metabolic processes in the body as well as in the formation of genetic material and in cell growth.

Nutritional properties

- Vitamin C and zinc contribute to the normal function of the immune system.

Nutritional information

Micronutrients	per daily serving 4 capsules
Vitamin C	160 mg (200 %*)
Zinc	5 mg (50 %*)

*Reference value according to Regulation (EU) No. 1169/2011

Key active ingredients

Key ingredients*	per daily serving 4 capsules
Blackcurrant	38 mg
Black elderberry	38 mg
Echinacea purpurea	10 mg

* No reference amount specified according to the FIC

Ingredients

Certified organic acerola extract Malpighia emarginata with 17 % natural vitamin C, blackcurrant extract Ribes nigrum, black elderberry extract Sambucus nigra [Black Elderberry (ElderCraft®)], Echinacea purpurea extract (aerial parts & flower), Saccharomyces cerevisiae (inactivated yeast); cellulose (VegeCaps).

Recommended intake

2 capsules daily; if increased requirement, take 3–4 capsules spread over meals.

Storage instructions

Store in a cool, dry place protected from light (not in the refrigerator).

Legal information

The recommended daily intake must not be exceeded. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle. Keep out of the reach of young children.
