Description

Diversity and Harmony

This high-quality blend of plant extracts takes its name from the included Schisandra berry. The small red fruit was already highly prized in Ming-dynasty traditional Chinese herbal medicine and is still regarded as a true treasure trove of beneficial properties. What is particularly remarkable about it is that it possesses five flavours at once. It can therefore be described as bitter, sweet, salty and pungent. In traditional Chinese herbal medicine these flavours correspond to the five elements of TCM, meaning the berry is beneficial to our wellbeing in particularly diverse
