Description

If you want protein but no meat

Vegan Protein Plus has the “Plus” in its name and with it a whole range of interesting accompaniments:

Acerola cherry concentrate, rosehip powder, cinnamon and turmeric as plant-based supporters, inulin as a natural prebiotic and the amino acids taurine and L-carnitine perfectly round off the vegan pea- and oat-protein concentrate with cordyceps extract, giving valuable impulses for figure and muscles/collagen and getting the metabolism going!

Vegan Protein Plus is an energy-rich powder with an extremely high proportion of plant-based protein. It is ideal for vegans and vegetarians who do not want to forego good protein supply. Especially when they are looking for an

alternative to tofu and seitan. Vegan Protein is also ideal for low-carb diets, as it contains only a few carbohydrates.

The base is formed by high-quality and easily digestible protein from peas and oats. Vegan Protein Plus contains all essential amino acids!

Nutrient properties

- Proteins contribute to an increase in muscle mass.
- Proteins contribute to the maintenance of muscle mass and of normal bones.

* No reference intake is specified according to the Food Information Regulation | **Reference value according to Regulation (EU) No. 1169/2011

Ingredients

Pea protein concentrate, oat protein concentrate, taurine, rosehip powder, cinnamon*, L-carnitine tartrate, Cordyceps sinensis mushroom powder, acerola cherry extract, inulin**, L-glycine, turmeric.
*Ceylon | **from chicory root

Directions for use

Spread over the day, three times take one serving (= one measuring scoop of 10 g) of powder into a shaker or blender, top up with a beverage (at least 0.3 l of liquid, e.g. vegetable juice, oat milk, etc.) and shake or blend well. Or use as an addition to soups. It is best to put the powder into a shaker, top up with the beverage and shake vigorously several times.

Vegan Protein can be stirred into cold or warm, sweet or savoury dishes. It is the plant-based alternative to other protein sources such as meat, eggs, tofu, seitan, etc. Ideal for vegans and vegetarians!

Storage instructions

Store in a cool, dry place away from light (do not refrigerate).

Legal information

Do not exceed the recommended daily intake. Food supplements are not a substitute for a balanced and varied diet and a healthy lifestyle. Keep out of reach of young children.
