To 3	€89.90	€200.67 / 1 Kilogramm
From 4	€67.48	€150.63 / 1 Kilogramm

Prices incl. VAT plus shipping costs

Description

MSM Greens – natural sulphur and valuable fibre for digestion

MSM Greens is a combination of the organic sulphur compound MSM and natural dietary fibres. Sulphur is a component of many important enzymes in the body. It is also found in bones, muscles and connective tissue. The contained fibres, e.g. wheatgrass, coriander or barley grass, stimulate intestinal activity. The alkaline ingredient Sango coral rounds off the formulation for the body's centre.
